the optional offer of the Shares (the "**Offer**") was filed with the Milan Companies Register on November 18, 2020 and published on the TXT e-solutions website and with the other distribution channels in accordance with the law.

Terms and conditions of the Offer

The Shares Subject to Withdrawal, amounting to 834,584, are offered optionally pursuant to Article 2437-quater of the Italian Civil Code to all TXT e-solutions shareholders holding TXT e-solutions shares for which the Right of Withdrawal has not been exercised, in proportion to the number of shares held by them at the close of business on November 23, 2020 (the record date): each of these shares is therefore assigned an option right (the "**Option**" and, collectively, the "**Options**").

The option ratio is 3 Shares for every 40 rights, subject to future increases following further verifications which will be announced via a notice published on the page for the Shareholders' Meeting in the "Governance" section of the Company's corporate website at www.txtgroup.com.

The Options, represented by coupon no. 13, cannot be traded on the MTA and may be exercised only for a whole number of Shares Subject to Withdrawal. The number of Shares

Subject to Withdrawal purchased for the exercised Options is determined by rounding down to the lower unit.

The offer price at which the Shares Subject to Withdrawal are offered is Euro 7.480 for each Share purchased (the "**Offer Price**").

Parties entitled to do so may exercise the Options, on penalty of forfeiture, from November 20, 2020 until December 21, 2020 inclusive (the "**Participation Period**").

Acceptance of the Offer must take place through financial intermediaries participating in the Monte Titoli S.p.A. centralised administration system by signing a specific form issued by TXT e-solutions to the intermediaries through Monte Titoli S.p.A. (the "**Application Form**"), subject to verification by these intermediaries of the entitlement of the participant to purchase the Shares Subject to Withdrawal.

The Application Form must be sent to TXT e-solutions at Computershare S.p.A. to the following email address: operations@pecserviziotitoli.it.

Right of pre-emption, assignment, distribution and placement

Provided that they simultaneously request it in the Application Form, the parties that will exercise their Options will have a pre-emptive right to purchase – at the Offer price – any Shares Subject to Withdrawal that remain unopted at the end of the Participation Period (the "**Unopted Shares**"). To this end, the maximum number of Unopted Shares for which the pre-emption right is exercised must be indicated on the Application Form.

If the number of Shares requested on a pre-emptive basis exceeds the quantity of Unopted Shares, the shares will be allocated among all applicants in proportion to the number of Shares Subject to Withdrawal purchased by each following the exercise of the Options.

Any Unopted Shares not purchased following any exercise of the pre-emption right (the "**Residual Shares**") will be acquired by TXT e-solutions and not offered on the MTA.

Results of the Optional Offer

TXT e-solutions shall communicate the results of the Offer – including any exercise of pre-emption rights – by means of a specific notice on the TXT e-solutions webpage (www.txtgroup.com) and by other procedures pursuant to the law. This notice will also contain terms and payment conditions for the Shares.

The number of Shares allotted to participants in the Offer that have exercised the Options and, where applicable, the pre-emption right, will be notified to the interested parties by the authorised intermediaries according to the respective internal timescales and procedures.
